

2009 Mid Summer Fling & IKI Circuits

The classes were large, the competition deep, the fun & games were numerous, the parties were over-the-top and the weather was HOT, HOT, HOT! But spirits were kept strong. We appreciate everyone's support of "The Summer Run" and know that we are already making and planning to make the 2010 events easier on everyone. We routinely state that we know you have a choice in shows & we are glad you have chosen our shows. The combined Summer Run totaled more than 5600 entries. Many people went home with eye-popping point totals including one trail horse earning another superior at this show and another all-around horse earning more than 100 total points. More than 310 AQHA Senior Trail points were awarded and another 180+ Senior Pleasure Points were awarded.

We would like to take this opportunity to thank the sponsors that graciously sponsored and supported both circuits.
