

## 2010 Arizona Sun Circuit High Point Winners

Mother Nature tried to damper the spirits of those in attendance this year, but in the end, the AQHA entries were UP over the 2009 show & that is a good indicator of all shows. We welcomed the Southern Belle Breeder's classes with open arms & look for them to return in the future.

Below you will find the High Point Champions – the reserves are also listed for many of the races were very tight.
