

2007 DuQuoin State Fair – August 30 – September 3, 2007

More than 300+ ‘inmates’ were found to be roaming the grounds of the DuQuoin State Fairgrounds this year! As usual, the Fair t-shirts were another hit. Even the actual police officers did a few double-takes just to make sure. This year, Mark Harrell Horse Shows tried something new. You could show all day on Thursday in one or even 50 classes for free. Though we were disappointed in the total turn out, everyone that did show was greatly appreciative of the chance to show in more classes for free. The usual parties & prizes were present as well. Lots of second chance prizes were handed out as well. It was also the finals of the DuQuoin Rewards Program where more than \$20,000 in prizes was awarded. Check out those winners as well. Circuit awards below each received a BMB monogrammed sheet & All-around winners at the end each received \$150.00 cash. We hope to see even more people next year. Be sure to check out the photo gallery to be posted soon.
