There are a limited number of hookups in general and a smaller number of sewer connections available. Earliest arrival will be Noon on Wednesday, July 2, 2008. Any arrivals prior to that time must be coordinated with and approved by GQHA. Parking assignments will be made between the hours of 8:00AM (except Wednesday 7/2) and 11:00PM, July 3 - 13. Arrivals outside these dates/hours should contact **770-616-0439** to coordinate arrival time.

RELOCATIONS MAY BE REQUIRED

Many power posts only have one 30 AMP and one 50 AMP plug. If the 30 AMP plug has already been taken, you will need to use an adapter cord that has a 50AMP male plug and a 30 AMP female end. These cords cost around \$20.00 at RV and camping supply stores and are not available on the show grounds. For those who are not able to acquire sewer hookups, a sewer pumping service will be available at various times throughout the show and the cost of this service shall be the responsibility of the individual parties concerned.

Thanks for your reservation and we hope you have a great time at the shows.
