RV -

Type of Vehicle: Horse Trailer _____ Motor Home _____ Other _____

Power Needs: 30 amp _____ 50 amp _____ Length of unit _____

Now **200** RV spots
available.
\$35 per day.
Not all have sewer.

ALL parking spaces will be assigned upon your arrival.

There are a limited number of hookups in general and a smaller number of sewer connections available. Earliest arrival will be Wednesday, June 30, 2010 at NOON. Any arrivals prior to that time must be coordinated with and approved by GQHA. Parking assignments will be made between the hours of 8:00 am (except Wed. June 30) and 11:00 pm July 1-11. Arrivals outside these dates should contact Robert Aiken to coordinate arrival time. Pre-payment does **NOT** guarantee any particular location on the fairgrounds, only that a slot will be made available. Hook-ups with water, electric and sewer are on a first arrival, first accommodated basis. Please notify us in advance if you have special requirements and we will do our best to assist you. No refunds.

Relocation MAY BE required

Many power posts only have one 30 amp and one 50 amp plug. If the 30 amp plug has already been taken, you will need to use an adapter cord that has a 50 am male plug and a 30 amp female end. These cords costs around \$20.00 and are available at camping & RV stores. They are NOT available on the grounds. For those who are not able to acquire sewer hookups, a sewer pumping service will be available at various times throughout the show & the cost of this service will be the responsibility of the individual parties concerned.

Credit Card Payment

Circle Type of Card: Master Card or Visa

Exact Name on Card: _____

Card Number: _____ **Exp:** _____

Security Code on Back: _____
