

# Mark Harrell Horse Shows

## New Stall Policies

### Effective Immediately

1. All shows must be paid for by a separate check. **NO ROLL OVER** of checks. We will not hold checks from show to show.
2. ALL checks will be cashed 2 weeks prior to the show. There will be ABSOLUTELY no refunds at this point.
3. Stalls that are prepaid will be at regular price... Stall prices will increase \$25 per stall two (2) weeks prior to the show.
4. Stall placement will be decided by date of checks received. There will be no guaranteed stalls or barns.

*We are truly sorry that we have to implement these policies....however there has been a substantial increase of abuse to the previous stall policy. If you have any questions or concerns, please feel free to ask Mark or David.*
